II. Classes

These classes are provided for families legally homeschooling in Arizona. Classes are clearly a teacher-parent based relationship, undergirded by RHA (a ministry of The Rock Church). Parents are to make all payments payable to The Rock Church marked clearly for the teacher in which their child is enrolled in their class. (Pay online: www.tros.church/RHA or hand payment to director.)

1. RHA is a liaison between parent and teacher, providing the facility (at the expense and under the power and permission of The Rock Church of Sahuarita) and enforcing the overarching mutual standards established by RHA and agreed upon by each individual teacher and parent.
2. RHA is a nonprofit organization providing services to the local homeschool community.

D. Absence

1. Notify the teacher if your child will be absent.
2. Teachers will have their own policy for a missed class.
3. Please do not sign a child up for classes if attendance cannot be regular. He/she may be asked by RHA to consider coming back the next semester or the beginning of the next school year, thus the parent stands to lose money. (We understand that emergencies cannot be avoided.)

E. Room assignments

Room assignments are unpredictable, due to the size of the classes after enrollment.

1. Some rooms may be reassigned.
2. If not given before the first day of school, check the schedule when you arrive.

F. Book/material fees

1. Some classes will have fees in addition to class tuition.
2. These fees can be found in the class descriptions or the syllabus (handed out at enrollment or located on our website: www.tros.church/RHA) for each class.

G. Class pictures

1. Class pictures (if offered) will be taken in the second semester.
2. Letters will be sent out.
